

EXTRA-CURRICULAR ELIGIBILITY POLICY - HIGH SCHOOL

Trimesters

In order to participate in a club, organization, or school sponsored event, students must have met each of the following requirements for the prior trimester:

1. Pass four (4) out of five (5) classes
2. Maintain a grade point average (GPA) of 2.0 in the previous trimester or a 3.0 cumulative
3. Have satisfactory or better citizenship in 4 of 5 of their classes.
If the citizenship has not been obtained, the student will be ineligible for 1 week (including weekends) and will be placed on a behavioral contract. The student will have to obtain a behavioral progress report each Friday that displays satisfactory behavior in 4 of 5 classes in order to restore eligibility.

If the student does not meet the requirements as stated in standard 1 and standard 2, they will be declared ineligible for the following trimester.

Ineligibility means that the student would not be able to participate in any extra-curricular activities or school sponsored events. Students would not be able to participate in a club or organization until they become eligible again based on their trimester grades and meeting the above requirements.

If a student meets the three (3) standards from the previous trimester but then falls below these three standards at a progress report check, the following will occur:

1. The student is on probation for a period of 1 week (including weekends). At the end of one week, if a minimum 2.0 GPA is achieved, the student is removed from probation status.
2. If the student does not achieve a minimum 2.0 GPA, then the student becomes ineligible. Eligibility may be regained if a minimum 2.0 GPA is achieved at the end of the next week.
3. If the student does not achieve a minimum 2.0 GPA at the end of the second week of ineligibility, then the student is ineligible for the remainder of the official grading period or the end of the trimester.
4. If a student is ineligible at the beginning of a trimester, then the student may become eligible at the progress report check of trimester two or three if a minimum 2.0 GPA is achieved.

Effective July 1, 2011
