

PARTIES AND HOLIDAY OBSERVANCES

POLICY

The Board believes that holidays that have an association with significant events should be a part of the educational process. Further, that classroom observance through parties may be conducted with due consideration to the frequency and duration and with regard to class time consumed.

PROCEDURE

1. Classroom parties shall not exceed a period of more than one hour of the school day. Sufficient time to restore the room to its normal order shall be made within the party planning. All such classroom parties will require prior approval of the building principal.
2. Treats in elementary schools may be continued.
3. The Food Allergies Policy and the Wellness Policy must be followed.
