

# **SUMMER SCHOOL**

## **POLICY**

The Board believes summer school programs can provide valuable added educational opportunities. The Board further believes, however, that such summer school programs should be offered as tuition based programs.

## **PROCEDURE**

### **High School**

- I. A schedule of summer school classes shall be drawn up and posted no later than May 15 of each year.
- II. Summer school registration day(s) shall be held as soon as it is practical upon the completion of the regular school year. Deadline for student registration shall be the first day of summer school.
- III. Teachers shall be hired on the following basis:
  - A. Applications commencing May 15.
  - B. Teachers shall be selected using the following criteria:
    1. Teaching staff must be highly qualified in the subject to be taught.
    2. Preference given to Fitzgerald teachers.
  - C. The high school principal shall make the final determination in the selection of the teachers and the supervisor of the program, for the best interest of the students and the program.
