

## **EMERGENCY PROCEDURES**

### **Administrative Guideline**

The primary consideration in any emergency situation must be the safety of the students and staff. At certain times, therefore, it may be necessary to ask the staff to perform "beyond the call of duty" in order to provide for the welfare of our students. In the event of an actual emergency situation, all school personnel, instructional and non instructional, will be required to remain in the building until they are dismissed by the principal.

The Fitzgerald Public Schools Emergency Management Plan and Crisis Response Plan shall contain specific guidelines for staff. Each building shall maintain an up to date copy of the plan.
