

Fitzgerald Public Schools
Technology Device Checkout / Technology Use Agreement

The following information must be filled out completely prior to obtaining a Chromebook.

- Students will check out one Chromebook and one AC adapter (charger). Both must be returned to the district upon school resuming.
- Students will be allowed to use the Chromebook while not in school. The internet is needed to utilize the device and is not included with the checkout of the Chromebook.
- Fitzgerald Public Schools understand that normal usage wear is inevitable.
- In the case of student negligence, disrespect, or carelessness, the student/family may be responsible for the replacement cost of a lost or stolen device. Please keep your device in a secure location at all times. The approximate replacement cost for a lost or stolen device is \$150.00. Repairable damage will be charged based on the cost of repair and may include: cord (either part) damaged, missing case, etc...
- Devices are protected with Go Guardian software for safe digital learning, but it is the responsibility of parents/guardians to monitor student use for acceptable internet usage.
- If there are any issues with your device please contact:
 - technology@myfitz.net and provide your student's name and grade in the email. You will receive a response in less than 48 hours.
 - If there is additional support needed please contact your student's main office.
- Secondary students are responsible for bringing their chromebook to school each day fully charged, as this device is pivotal in your students' classwork.
- Elementary students are responsible for keeping their Chromebook in a safe space at home, to complete homework assignments, and for treating the School Chromebook with respect to complete in-school activities.

I have read and understand the Chromebook/Technology Responsibility Use Policy. I understand that my failure to follow the information and expectations outlined in the documents may result in replacement costs.
