

Course Name	Course Number	Course Description
DK Art	DKAR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade K using the district adopted Art curriculum.
DK Homeroom	DKHR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
DK PM Attendance	DKPM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
DK Language Arts	DKLA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Kindergarten English Language Arts using the program adopted curriculum - Connect4Learning.
DK Math	DKMA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Kindergarten Mathematics using the program adopted curriculum, Connect4Learning, and SIS For Teachers math strategies.
DK Library Media	DKLI	Comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge to support student growth, the acquisition of new knowledge, critical thinking and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards.
DK Music	DKMU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Kindergarten Music using the district adopted Music curriculum.
DK PE	DKPE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade K Physical Education using the district adopted Physical Education curriculum.
DK Science	DKSC	Comprehensive Science instruction in life science, physical science, earth science, space science and engineering according to the Michigan K-12 Science Standards, using the program adopted Connect4Learning.
DK Spartan Skills	DKSPS	Comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Grade K Spartan Skills for Success using the district adopted SSS curriculum.
DK Social Studies	DKSS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Kindergarten Social Studies using the program adopted, Connect4Learning
DK Tech Infusion	DKTI	Comprehensive technology instruction in appropriate technology use, internet safety, basic typing skills, and STEM initiatives according to the Michigan K-12 Content Standards for Kindergarten Tech using the district adopted Technology curriculum.
K Art	KAR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade K using the district adopted Art curriculum.
K Homeroom	KHR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
K PM Attendance	KPM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
K Language Arts	KLA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Kindergarten English Language Arts using the district adopted Journey's curriculum.

Course Name	Course Number	Course Description
K Math	KMA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Kindergarten Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
K Library Media	KLI	Comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards.
K Music	KMU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Kindergarten Music using the district adopted Music curriculum.
K PE	KPE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade K Physical Education using the district adopted Physical Education curriculum.
K Science	KSC	Comprehensive Science instruction in Waves: Light and Sound, Structure, Function, and Information Processing, Space Systems: Patterns and Cycles, and Engineering Design according to the Michigan K-12 Content Standards for Kindergarten Science using the district adopted Science Dimensions curriculum.
K Spartan Skills	KSPS	Comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Grade K Spartan Skills for Success using the district adopted SSS curriculum.
K Social Studies	KSS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Kindergarten Social Studies using the district adopted MC3 Curriculum.
K Tech Infusion	KTI	Comprehensive technology instruction in appropriate technology use, internet safety, basic typing skills, and STEM initiatives according to the Michigan K-12 Content Standards for Kindergarten Tech using the district adopted Technology curriculum.
1 Art	1AR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 1 using the district adopted Art curriculum.
1 Homeroom	1HR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
1 PM Attendance	1PM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
1 Language Arts	1LA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Grade 1 English Language Arts using the district adopted Journey's curriculum.
1 Math	1MA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Grade 1 Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
1 Music	1MU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 1 Music using the district adopted Music curriculum.

Course Name	Course Number	Course Description
1 PE	1PE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade 1 Physical Education using the district adopted Physical Education curriculum.
1 Library Media	1LI	Comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge to support student growth, the acquisition of new knowledge, critical thinking and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards.
1 Science	1SC	Comprehensive Science instruction in Waves: Light and Sound, Structure, Function, and Information Processing, Space Systems: Patterns and Cycles, and Engineering Design according to the Michigan K-12 Content Standards for Grade 1 Science using the district adopted Science Dimensions curriculum.
1 Social Studies	1SS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Grade 1 Social Studies using the district adopted MC3 Curriculum.
1 Spartan Skills	1SPS	Comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Grade 1 Spartan Skills for Success using the district adopted SSS curriculum.
1 Tech Infusion	1TI	Comprehensive technology instruction in appropriate technology use, internet safety, basic typing skills, and STEM initiatives according to the Michigan K-12 Content Standards for Grade 1 Tech using the district adopted Technology curriculum.
2 Art	2AR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 2 Music using the district adopted Art curriculum.
2 Homeroom	2HR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
2 PM Attendance	2PM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
2 Language Arts	2LA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Grade 2 English Language Arts using the district adopted Journey's curriculum.
2 Math	2MA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Grade 2 Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
2 Music	2MU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 2 using the district adopted Music curriculum.
2 PE	2PE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade 2 Physical Education using the district adopted Physical Education curriculum.

Course Name	Course Number	Course Description
2 Library Media	2LI	Comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge to support student growth, the acquisition of new knowledge, critical thinking and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards.
2 Science	2SC	Comprehensive Science instruction in Structure and Properties of Matter, Interdependent Relationships in Ecosystems, Earth's Systems: Processes that Shape the Earth, and Engineering Design according to the Michigan K-12 Content Standards for Grade 2 Science using the district adopted Science Dimensions curriculum.
2 Social Studies	2SS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Grade 2 Social Studies using the district adopted MC3 Curriculum.
2 Spartan Skills	2SPS	Comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Grade 2 Spartan Skills for Success using the district adopted SSS curriculum.
2 Tech Infusion	2TI	Comprehensive technology instruction in appropriate technology use, internet safety, basic typing skills, and STEM initiatives according to the Michigan K-12 Content Standards for Grade 2 Tech using the district adopted Technology curriculum.
3 Art	3AR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 3 using the district adopted Art curriculum.
3 Homeroom	3HR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
3 PM Attendance	3PM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
3 Language Arts	3LA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Grade 3 English Language Arts using the district adopted Journey's curriculum.
3 Math	3MA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Grade 3 Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
3 Music	3MU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 3 Music using the district adopted Music curriculum.
3 PE	3PE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade 3 Physical Education using the district adopted Physical Education curriculum.
3 Library Media	3LI	Comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge to support student thinking growth, the acquisition of new knowledge, critical thinking and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards.

Course Name	Course Number	Course Description
3 Science	3SC	Comprehensive Science instruction in Forces and Interactions, Interdependent Relationships in Ecosystems, Inheritance and Variation of Traits: Life Cycles and Traits, Weather and Climate, and Engineering Design according to the Michigan K-12 Content Standards for Grade 3 Science using the district adopted Science Dimensions curriculum.
3 Social Studies	3SS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Grade 3 Social Studies using the district adopted MC3 Curriculum.
3 Spartan Skills	3SPS	Comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Grade 3 Spartan Skills for Success using the district adopted SSS curriculum.
3 Tech Infusion	3TI	Comprehensive technology instruction in appropriate technology use, internet safety, basic typing skills, and STEM initiatives according to the Michigan K-12 Content Standards for Grade 3 Tech using the district adopted Technology curriculum.
4 Art	4AR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 4 using the district adopted Art curriculum.
4 Homeroom	4HR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
4 PM Attendance	4PM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
4 Language Arts	4LA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Grade 4 English Language Arts using the district adopted Journey's curriculum.
4 Math	4MA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Grade 4 Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
4 Music	4MU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 4 Music using the district adopted Music curriculum.
4 PE	4PE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade 4 Physical Education using the district adopted Physical Education curriculum.
4 Science	4SC	Comprehensive Science instruction in Waves: Light and Sound, Structure, Function, and Information Processing, Space Systems: Patterns and Cycles, and Engineering Design according to the Michigan K-12 Content Standards for Grade 4 Science using the district adopted Science Dimensions curriculum.
4 Social Studies	4SS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Grade 4 Social Studies using the district adopted MC3 Curriculum.
4 World Languages	4WL	Comprehensive instruction to develop insight into the Nature of Language and Culture; K-12 Content Standards for the district adopted World Language curriculum.
4 STEM	4ST	Comprehensive instruction to generate and compare multiple possible solutions to a problem based on how well each is likely to meet the criteria and constraints of the problem, and define a simple design problem reflecting a need or a want that includes specified criteria for success and constraints on materials, time, or cost. K-12 Content Standards for Engineering the district adopted NGSS curriculum.
5 Art	5AR	Comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 5 using the district adopted Art curriculum.

Course Name	Course Number	Course Description
5 Homeroom	5HR	AM Attendance, Capturing Kids Hearts classroom community building, and Social Emotional Learning
5 PM Attendance	5PM	PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
5 Language Arts	5LA	Comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for Grade 5 English Language Arts using the district adopted Journey's curriculum.
5 Math	5MA	Comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Grade 5 Mathematics using the district adopted Math Expressions curriculum and SIS For Teachers math strategies.
5 Music	5MU	Comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Grade 5 Music using the district adopted Music curriculum.
5 PE	5PE	Comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Grade 5 Physical Education using the district adopted Physical Education curriculum.
5 Science	5SC	Comprehensive Science instruction in Waves: Light and Sound, Structure, Function, and Information Processing, Space Systems: Patterns and Cycles, and Engineering Design according to the Michigan K-12 Content Standards for Grade 5 Science using the district adopted Science Dimensions curriculum.
5 Social Studies	5SS	Comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Grade 5 Social Studies using the district adopted MC3 Curriculum.
5 STEM	5ST	Comprehensive instruction to generate and compare multiple possible solutions to a problem based on how well each is likely to meet the criteria and constraints of the problem, and define a simple design problem reflecting a need or a want that includes specified criteria for success and constraints on materials, time, or cost. K-12 Content Standards for Engineering the district adopted NGSS curriculum.
5 World Languages	5WL	Comprehensive instruction to develop insight into the Nature of Language and Culture; K-12 Content Standards for the district adopted World Language curriculum.
Elementary Homeroom	EHR	Self-Contained Special Education Classrooms. AM Attendance, Capturing Kids Hearts classroom community building, student support and guidance.
Elementary PM Attendance	EPM	Self-Contained Special Education Classrooms. PM Attendance, Capturing Kids Hearts classroom community building, student support and guidance for PM work.
Elementary Language Arts	ELA	Self-Contained Special Education Classroom comprehensive English Language Arts instruction in reading, writing, phonics, grammar, and vocabulary according to Michigan K-12 Content Standards for English Language Arts using the district adopted Journey's curriculum.
Elementary Math	EMA	Self-Contained Special Education Classroom comprehensive Mathematics instruction in Operations and Algebraic Thinking, Number and Operations in Base Ten, Measurement and Data, and Geometry according to the Michigan K-12 Content Standards for Mathematics using the district adopted My Math curriculum and SIS For Teachers math strategies.
Elementary Science	ESC	Self-Contained Special Education Classroom comprehensive Science instruction in Waves: Light and Sound, Structure, Function, and Information Processing, Space Systems: Patterns and Cycles, and Engineering Design according to the Michigan K-12 Content Standards for Science using the district adopted Science Dimensions curriculum.
Elementary Social Studies	ESS	Self-Contained Special Education Classroom comprehensive Social Studies instruction in History, Geography, Civics and Government, Economics, and Public Discourse, Decision Making, and Citizen Involvement according to the Michigan K-12 Content Standards for Social Studies using the district adopted MC3 Curriculum.

Course Name	Course Number	Course Description
Elementary Art	EAR	Self-Contained Special Education Classroom comprehensive art instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards using the district adopted Art curriculum.
Elementary Music	EMU	Self-Contained Special Education Classroom comprehensive music instruction in performance in the arts, applying skills to create in the arts, analyze, describe, and evaluate works of art, understand and describe the arts historical social and cultural contexts according to the Michigan K-12 Content Standards for Music using the district adopted Music curriculum.
Elementary PE	EPE	Self-Contained Special Education classroom comprehensive physical education instruction in motor skills and movement patterns, nonlocomotor stability, movement and performance, responsible personal and social behavior to self and others, value of physical activity for health, enjoyment, and self-expression according to the Michigan K-12 Content Standards for Physical Education using the district adopted Physical Education curriculum.
Elementary Tech Infusion	ETI	Self-Contained Special Education Classroom comprehensive technology instruction in appropriate technology use, internet safety, and basic typing skills according to the Michigan K-12 Content Standards for Tech using the district adopted Technology curriculum. Offered for grades DK-3 only.
Elementary Library Media	ELI	Self-Contained Special Education Classroom comprehensive school library media center instruction in selecting appropriate physical and digital collections of resources to support student learning, utilizing technology to implement a variety of research strategies to generate new knowledge to support student growth, the acquisition of new knowledge, critical thinking and problem solving, effective communication and collaboration strategies with peers, and promote reading for learning, personal growth, and enjoyment according to the National Library Standards, the Michigan K-12 English Language Arts content standards, and the Michigan Technology Standards. Offered for grades DK-3 only.
Spartan Skills for Success	SPS	Self-Contained Special Education Classroom comprehensive Michigan Model for Health instruction in stress/emotions management, social skills, anti bullying, and nutrition according to the Michigan Model for Health Curriculum standards for Spartan Skills for Success using the district adopted SSS curriculum. Offered for grades DK-3 only.
Elementary STEM	EST	Self-Contained Special Education Classroom comprehensive instruction to generate and compare multiple possible solutions to a problem based on how well each is likely to meet the criteria and constraints of the problem, and define a simple design problem reflecting a need or a want that includes specified criteria for success and constraints on materials, time, or cost. K-12 Content Standards for Engineering the district adopted NGSS curriculum. Offered for grades 4-5 only.
Elementary World Languages	EWL	Self-Contained Special Education Classroom comprehensive instruction to develop insight into the Nature of Language and Culture; K-12 Content Standards for the district adopted World Language curriculum. Offered for grades 4-5 only.
