

HYGIENE

Fitzgerald Public Schools will provide adequate supplies to support healthy hygiene behaviors (including soap, hand sanitizer with at least 60% alcohol for safe use by staff and students, paper towels, tissues, and signs reinforcing proper handwashing techniques).

Teach and reinforce handwashing with soap and water for at least 20 seconds and/or the safe use of hand sanitizer that contains at least 60% alcohol.

Educate staff and students on how to cough and sneeze into their elbows, or to cover with a tissue. Used tissues should be thrown in the trash and hands washed immediately using proper hand hygiene techniques.

Custodial staff will systematically and frequently check and refill soap and hand sanitizers.

Limit sharing of personal items and supplies such as writing utensils.

Keep students' personal items separate and in individually labeled cubbies, containers, or lockers.

Limit use of classroom materials to small groups and disinfect between use, or provide adequate supplies to assign for individual student use.

Procure portable handwashing and/or hand sanitizing stations to set up throughout school buildings.
