

PARENT INVOLVEMENT POLICY

Fitzgerald Public Schools believes that all parents are partners with teachers and other staff in the education of their children. Parent involvement and empowerment are essential from preschool through grade 12 in the school district.

Fitzgerald Public Schools believes that student academic achievement requires that parents have an understanding of curriculum, academic achievement standards, assessments, district/school policies and procedures, and of how to monitor their children's progress and work with educators to improve the achievement of their children.
