

STUDENT IDENTIFICATION POLICY

Middle School/High School

Identification Cards

Ensuring safety and security for all staff and students is our top priority each day. Wearing of ID badges provides a professional setting and promotes College and Career Readiness for all students. Wearing of IDs is required as part of many workplace environments, as well as on many college and university campuses.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To make cafeteria purchases using the register system
- To ride the bus to and from school (MS)
- To move between classes and/or use the restroom
- To participate in school activities, assemblies, dances, etc. on campus

False Identification

Respect for law and for those in authority shall be expected of all students. This includes conformity to school rules as well as general provisions of law regarding minors. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall also be expected of all members of the school community.

A student will not use another person's identification or give false identification to any school official with intent to deceive school personnel or falsely obtain money or property.

A student will not refuse to show or wear an identification card and/or give his/her correct name when requested by school personnel.

A student identification badge cannot be altered in any way, by use of stickers, markings or drawings.
