

STUDENTS WITH LIMITED ENGLISH PROFICIENCY POLICY

The Fitzgerald Public School's Board of Education is committed to providing all students a meaningful education and access to applicable programs provided by the district. Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the district. Students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the education and extra-curricular programs offered by the district.

The district will endeavor to assist the student and his/her parents in their access to district programs by contacting the parents in a manner and language that is designed for them to understand.
