

VISITORS TO SCHOOLS

The District encourages visits to school by parents, other adult community residents, or other educators, so long as those visits do not disrupt or otherwise interfere with the educational process. Any such visit shall be arranged in advance with the building administration. The Superintendent and the building principal or designee have the authority to prohibit entry to a school building of any person, to expel any person, if there is reason to believe that such person's presence would be detrimental to the educational process or the good order of the school. The Superintendent shall develop administrative guidelines specifying procedures that permit reasonable attendance by visitors but that protect the educational environment.

To maintain a high level of safety, all visitors to schools must report to the office before proceeding to another area of the school and be prepared to show a photo ID card for admittance.
